

You're Invited to our "Burn the Mortgage" Party!

DATE TO BE DETERMINED
THE HOUSE ON APPLE COURT

HOME LOANS in the 1930s were much like ours — a five-year term with a balloon payment. A festive celebration to “burn” the mortgage often followed the final payment.

With your help, we can pay off our loan and have an old-fashioned bonfire! S’mores anyone?

Our mortgage balance is \$65,194.13. (10/9/2021)

Our Showplace of Greendale History was first occupied in 1938 at the peak of the Great Depression. The song asked “brother can you spare a dime?” Please spare what you can and help get the Society out of debt and make sure the House on Apple Court is there for future generations. *Thank You!*
